

CANADIAN HAULER

Better Loading & Towing!

- Drop Floor
- L.E.D. Lights
- Sidewall Vent System

Model AEM712TA2

Motorcycle SERIES

Low profile Canadian Hauler Motorcycle trailers extend your freedom with the hottest standard features. The dropped floor adds clearance for easy loading with the windshield on so you're always ready to roll. Stow extra gear in your choice of white laminate cabinets or a handy closet with a shelf and hanger rack. Tow a trailer that looks as polished as your bike, from the stainless nose cap and stainless cast corners, to the stainless, screwless exterior, and aluminum wheels. Rugged aluminum tread plating on the floor and ramp adds durability and great looks. Armaguard and Z-Tech protection are included for extra chip and rust resistance - all standard.

Built For The Long Haul
